**SUMMARY:** In this Order, the Federal Communications Commission (Commission) dismisses the petition for reconsideration (Petition) of the Second Report and Order filed by Voice on the Net Coalition (Petitioner), seeking reconsideration of the Commission's decision to extend international traffic and revenue reporting requirements to entities providing international calling service via Voice over Internet Protocol (VoIP) connected to the public switched telephone network (PSTN), and requiring submarine cable landing licensees to file reports identifying capacity they own or lease on each submarine cable. The Petition relies on facts and arguments that do not meet the requirements of the Commission's rules and the Petition plainly does not warrant consideration by the Commission.

**SUPPLEMENTARY INFORMATION:** This is a summary of the Commission's Order dismissing the petition for reconsideration, DA 15-711, adopted and released on June 17, 2015.

Under the Commission's rules, petitions for reconsideration that rely on facts or arguments that have not previously been presented to the Commission will be considered only under certain limited circumstances and may be dismissed by the relevant bureau if they do not meet those circumstances. The Petition relies on facts and arguments that do not meet the requirements of § 1.429(b)(1) through (3) of the Commission's rules. The Commission will not send a copy of this Order pursuant to the Congressional Review Act, 5 U.S.C. 801(a)(1)(A), because this Order does not have an impact on any rules of particular applicability.
